OBJECTIVE :

Originally an artist with a strong background in drawing and visual creativity, I am now a motivated and detail-oriented Frontend Developer seeking a position to utilize my skills in building responsive and dynamic web applications. I aim to combine my artistic vision with modern web technologies to deliver high-quality, user- centered digital experiences. Dedicated to continuous learning and passionate about crafting engaging interfaces.

EXPERIENCE :

- Front-End developer - Apex

  I contributed to the implementation and development of responsive and interactive frontend projects using React and Next.js.

  I collaborated with the team to deliver user-friendly web interfaces following modern frontend practices.

SKILLS :

- Front-end Development: HTML5, CSS3, Bootstrap 5
- JavaScript: Modern JavaScript (ES6+), DOM, BOM, Ajax, jQuery
- CSS Frameworks: SASS, Tailwind CSS
- JavaScript Frameworks: React.js, Next.js , API Integration , TypeScript
- Version Control: Git, GitHub , Responsive Web Design

PROJECTS :

- E-commerce Website — View Project Developed a full e-commerce web application using React.js. Implemented dynamic product listing, shopping cart functionalities, and checkout process. Focused on component reusability, state management, API integration, and responsive design.
- Note App — View Project A React.js web app for creating and managing notes with full CRUD functionality, form validation using Formik & Yup, and responsive UI styled with Tailwind CSS.
- Zain Construction Company Website — View Project Developed a modern, responsive company website using Next.js and Tailwind CSS. Built dynamic, RTL-friendly UI sections.

  Focused on responsive design, semantic structure, and smooth user experience across devices. Followed clean code practices and component-based architecture for reusability and scalability.

PERSONAL INFORMATION :

- Education: Faculty of Law - Helwan University 2019
- Date of Birth: 20/05/1996
- Nationality: Egyptian

LANGUAGES :

- Arabic: Native
- English: Fluent (written, spoken, listening)
- French: Good (written, spoken, listening)

SOFT SKILLS :

- Teamwork, Time Management, Attention to Detail

CERTIFICATIONS :

- Front-end Development Certificate — Route Academy. View Certificate
